## Important Dates

Monday April 3 – Classes Resume

Friday April 6 – Kinders No School

Friday April 20 – PD Day

Friday April 27 – Kinders No School

## Reminders and Things To Know

### Street etiquette

We are in a no u-turn zone. Please ensure you are using the cul-de-sac at the end of the street to turn around.

### Parking

We have an agreement with the school that we will not use their parking lot at any time. When you are arranging alternate pick-ups for your children, please remind those friends and family members to use the street parking. We would like to stay friends with the school 😊.

### Summer Camp Registration

Early bird registration starts April 2<sup>nd</sup> at 7am. Spaces are limited, and as such are on a first come, first serve basis. You are welcome to email them or bring them with you when you drop off your children. Please give your forms a once over and ensure everything is complete, including payment information, just in case there isn't a free staff to go through them with you when you arrive.

### Kindergarten Field Trips

Tuesdays and Thursdays are field trip days for our kinders. Please plan to drop off your children by 8:30am to give us an opportunity to complete attendance, safety reminders, and bathroom breaks before we leave at 9. If you are unable to drop off your child before 8:30, please call us and let us know so that we can discuss drop off arrangements on the field trip or later in the morning. We cannot guarantee coordination with staff once they have left on the field trip, and we don't want anyone missing out any of the fun!

### Staffing Changes

If you come in looking for a familiar face and don't see the one you need, please introduce yourself! Janine is filling in as our Director while Tamara is at home getting well. Sarah is our amazing practicum student! She is with us on Tuesdays and Thursdays. And throughout the month we will have many staff from many Juvenescence's here with us to run Spring Camps, as well as help out with our Kindergarten Program.

If your child has any field trips and big school projects coming up, please help keep us in the loop! Sometimes busses come back late, or children stay a few minutes after school to finish up, and every reminder helps. Thanks!
