Junior Leaders Update

The Junior Leaders have been meeting almost daily and they have been brainstorming and discussing what they'd like the program to look like and the activities they'd like to do. Currently they are voting for Prime Minister of the Junior Leader Council and all votes should be in by the end of March. The first task the council would like to undertake is fundraising. So far they have some awesome ideas. They will keep you posted on what's taking place in the next little while.

Friendly reminder:

The weather is ever changing, and we never know what to expect. Please keep in mind that we like to offer the children the opportunity to play outside and we do weekly park trips, weather permitting. For this reason, please make sure that your children are coming prepared for whatever the weather may bring with clothes that will keep them warm and dry.
